

TECHNICAL DATA SHEET

Order reference	SC-DK
Article number	813967

Date	05-21-07	Replaces	12-21-06	No. Pages	1
-------------	----------	-----------------	----------	------------------	---

Product Description:

Style	Sump Drain Kit to be used with SC-SD2 and SC-DP4
Components	1 HDPE Transfer tube (15.24 cm long, Ø2.5cm) + 2 Buna-N grommets + 1 instruction sheet
Color	Black & Natural

Intended Application	Allows to connect multiple 2 drum spill decks or multiple 4 drum spill pallets in order to increase to overall sump capacity.
-----------------------------	---

Containment Capacity	N/A
Load Capacity	N/A

Packaging Description:

Package configuration	N/A	Pkg. Weight	0.07 kg
Items per Package	1 set	Pkg. Dimensions	21 cm x 16 cm x 5 cm
Container type	Poly-bag		

Physical Properties:

<u>Parameter</u>	<u>SPC Test Method</u>	<u>Units</u>	<u>Nominal</u>	<u>(+/-)Tolerance</u>
Color	Visual	-----	Black & Natural	Per standard

The above properties are “nominal” values used for PROCESS CONTROL when the product is produced and/or inspected. Performance “nominals” may vary depending upon the specific application, and/or the environment being applied, stored, or shipped.
